# ALL UNDER THE BLOOD & FIRE FLAG

## KOREA

A STORY WHICH SHOWS HOW THE ARMY CONVERTS ARE STRUGGLING OUT OF THE DARKNESS OF SUPERSTITION.

At a dedication service in a Korean village a woman went to ask if special prayer could be made for her baby girl.

"Well, he was all she had: four other little ones had gone to Heaven, and she did want to keep this one, and please give her a good woman's name. So she was named 'Hannah.' Time passed and Hannah flourished. Later a tremendous joy came to Hannah's home. A baby boy arrived. Girls do not count for much in a Korean home, but a boy—well, he is everything. So Hannah's father, who is not poor, prepared a feast, and invited all the neighborhood, and all his talk was of 'My son.'

"When the Regional Officer comes we will have him dedicated and named as a good Bible name," he said. But the mother said, in a sorrowful voice, "I have already given him 'Devil name' for I am so afraid that the devil will hurt my beautiful boy and I can't bear the thought." (Koreans give boys such names as 'Fig' thinking that the evil one hearing the name will judge the boy worthless and not trouble him.) Then they sent to tell the Regional Officer, and it was decided that the boy should be called John when the time came to change his name. (Korean boys' names are often changed two or three times).

But poor little baby who had been so well, sickened and when the influenza epidemic swept through the village, went to join his brothers and sisters, and all his cousins went too. The only one who was spared to Mr. Stone and his brothers living in the village was Hannah. His nephews and nieces who used to play around his house, all went to Heaven. Hannah still flourishes, and we hope she will grow to be a good woman. Her mother and father are praying that they may be made stronger in faith, and that they may meet their little ones in the Golden City.

SOUL-SAVING VICTORIES AT MANY CENTRES

Thirty new Soldiers were recently enrolled at Sendai, and at the close of the ceremony thirty-three souls sought Salvation.

During public meetings in connection with the Cadets' welcome to the Training Garrison at Tokio, a professor of Sendai Imperial University was swayed by the Spirit of God. He first met the Salvation Army on the Founder's visit to the city twelve years ago, and has frequently attended meetings and testifies.

Colonel Yamamoto has visited ten centres in the West. At some places thousands of people were able to get into the meetings. One hundred and fifty-three seekers knelt at the mercy-seat. In one village of 300 houses 350 people attended the meeting. Two women-Officers are waging a lonely but winning fight in this place.

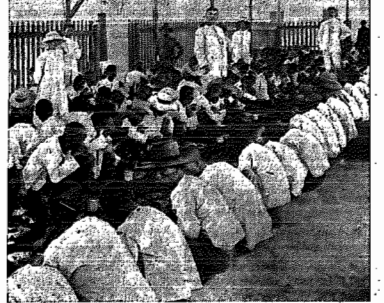

A doctor and his wife are among the eighty-three Cadets now in the Training Garrison.

## DUTCH INDIES

The story of the promotion to Glory of a Leper Girl at the Army's Pelantaengon Colony in Java.

"THE word 'Gelikeiteld' is one which is much in use in the Dutch East Indies (writes Col. Cunningham, the Territorial Commander) and it means placed on the same footing or granted equal rights. It particularly applies to the various

epidemic which has fairly swept over these islands—it is estimated that about two millions have succumbed to it—and that while all the other patients had recovered, poor Louie had died. Some weeks previous to her taking ill the Assist-

Dinner Time at the Army's Leper Colony in Java

ant resident of the district had paid an official visit to the Colony and she had then taken the opportunity of making application to be "gelikeiteld," for being Menadones by birth she was not in the enjoyment of full equal rights. She was looking forward with expectation and pleasure to being granted these rights.

### A Pathetic Procession

The Officers and patients had loved her in life and in death they vied with each other in gathering the sweetest roses and the choicest flowers of the garden to lay beside her in her coffin where they told me she looked just as though asleep. Together those hale and maimed fellow-patients headed by our Officers formed a pathetic procession to the graveyard where with trust sorrow and overflowing sympathy they laid Louie in the grave in sure and certain hope of the resurrection. As I listened to the account of her illness, her death and her funeral from our Officers, one who turned and said with tears in her voice, but now she is "gelikeiteld." Yes, this is fortunately true. She has gone to the land where, caste and colour do not count, where we shall all be the children of one loving Father.

### Loved the Meetings

Louise was saved and gave every evidence of being a very true Christian. She loved to come to the meetings and to sing our Salvation songs.

I enquired about her and was told that she, with nearly all of the patients, had some weeks ago been laid low by the terrible influenza

## FRANCE

SHELTERING THE HOMELESS IN REIMS—ACQUIRED

The Cadets in the present French Training Session in Paris include a number of demobilized soldiers and a brother and sister.

A Hostel in Le Havre has just been taken over by our French comrades, and will be used as a shelter for soldiers and the other as a Shelter with fifteen beds.

A Hall has been given to the Army at Les Bordes (France) by a Salvationist woman comrade. Premises have also been secured at Marseilles for a Hall, Officers Quarters, and reading-room for work-people. A drinking-bar has been transformed into an Army Hall at Paris.

The Self-Denial Effort was most gratifying, a splendid advance of 60,000 francs being secured!

## CZECHO-SLOVAKIA

NEW OFFICERS FROM SWEDEN—SOUL-SAVING PROGRESS

Three Swedish Officers have recently arrived at Prague, (writes recently from the Garrison) and were anxious about them as they got to Berlin on the same day that shooting took place, which resulted in the death of a young man.

Our public meetings continue to be good. On Sunday we had seven seekers at the Cross.

Adj. Gammelt is working hard with the Band. We have purchased nine more instruments, and expect in a couple of months to have fifteen players!

### INTERNATIONAL ITEMS

Cup Day in Melbourne, the Derby Day of Australia, was made the occasion of a series of routine meetings conducted by Commissioner Hay in the City Temple. Twenty-six men and women surrendered.

News comes from Calcutta (India) that new Corps and Salvation Army being opened and by means of lantern services crowds are being reached and souls are seeking Salvation.

In a little Belgian town a minor was converted to the Salvation Army. A staff-Captain Merritt was with us on March 7 and took special interest in the young People.

At crowded meetings at Bandong (Java) the seekers included a high school teacher, who next morning told his boys that he had sought Salvation at the Army's penitential farm. He and his wife have since been sworn-in as Soldiers.

## BAND NOTES

The Downcourt Band with Ensign Leach, the Corps Officer, visited the Epworth Methodist Church on Wednesday, March 24th. The meeting was one of a series in connection with a Forward Movement.

The Headquarters, Male Quartette, with Staff-Captain Gaston, conducted the week-end meetings at North Toronto (March 20-21). On Sunday afternoon a programme of music and song was given. The Quartette visited the Davisville Hospital in the morning and sang to the patients.

The "best yet" was the verdict of the large crowd which packed the Glad on the occasion of the Third Monthly Band Festival at Winnipeg. I. Brigadier Hay presided. The inauguration of the Songster Brigade on the programme was a happy thought; their two efforts, an anthem, "Praise the Lord," and "The Soldiers' Chorus," with Band accompaniment, were of a very high order.

The outstanding Band numbers on the programme was "Great Masters No. 17," selection. The Band's tinsel ensemble in the opening and closing movements and the masterly treatment of the delicate accompaniments throughout revealed good training, and showed that the Band felt quite at ease on this selection.

A unique item was a sketch depicting "A Scene in a Salvation Army Red Shield Hut in Boulogne," in which ten of the returned Dandies took part.

The singing of the Male Voice Quartette, and a Euphonium solo by Bandman P. Merritt were both first class efforts.

About five hundred tickets were sold before the festival, a fact which betrays the growing popularity of these monthly musical events and encouragement to the Band to go ahead and make the next one still a greater success. J. R. W.

The St. Thomas Band is again coming to the front and credit is due to Bandmaster L. Jones.

We have given a hearty welcome to Bandmaster and Mrs. Greenwood who have been away at Niagara Falls for some time, and also to Bandman and Mrs. Thorpe from London. L. Bandman Greenwood has taken up solo horn and Bandmaster Sharpe solo cornet.

The Bonavista (Nfld.) Band is progressing under Bandmaster Moulton. Two new Bandmen have recently joined, namely, Brother James Russell, who has returned from Sydney and Brother James Cooper. A new cornet has been added.

### PORTAGE LA PRAIRIE

Our former Officer, Adjutant Bourne, paid us a visit recently. On Sunday morning he conducted a jail meeting. He also led the Corps meetings throughout the day.

Staff-Captain Merritt was with us on March 7 and took special interest in the young People.

### HAMILTON IV.

### HAMILTON II.

On Sunday night, March 14th, one backslider whom we had been praying for, returned to God. Two others followed.

## NEW MATERNITY HOSPITAL

Is Opened at Sydney by COMMISSIONER RICHARDS

JUDGE FINLAYSON PRESIDES AND SPEAKS HIGHLY OF ARMY'S WORK—A DESCRIPTION OF THE NEW INSTITUTION

AT the opening of the new Maternity Hospital in Sydney by the Commissioner on Saturday, March 20th, over two hundred representative citizens were present. Judge Finlayson presided, and gathered and highly praised the Army, especially mentioning the Prison Work which comes more particularly under his notice.

### Prominent People Present

He was supported by Mayor Fitzgerald, several Ministers, and many leading citizens.

Dr. McLeod, who is the oldest physician in Cape Breton, spoke of the need of such an Institution and said he was glad the Army had undertaken the work. He wished the Army God's blessing and every success in its new venture.

The Commissioner gave an interesting review of the work being done by the Army throughout the world, and Brigadier Des Brisay, the Women's Social Secretary, told of what was being done by her Department of Work throughout the Canadian East Territory.

Eleven members of the Graduate Nurses' Association served the light lunch, which was enjoyed by a large number of the guests, after inspection of the well appointed rooms had been made. The Nursery was a special attraction, and many lingered long to admire the nicely arranged, and snowy white Baby Baskets, ready for the tiny tots.

### Description of Hospital

In a descriptive write-up of the Hospital the Sydney "Post" says: "The Salvation Army Maternity Hospital has already been the birthplace of eight of Sydney's youthful residents, for while not formally opened it has been a working institution for several weeks past.

There are three wards with three to five beds each, a single private room and a large nursery, in all of ten private rooms and ten rooms of a semi-private nature. In the hospital grounds will be installed at the same time a modern land-plot, complete in all the up to date improvements in that line."

### Residence for Nurses

The Army already has in the course of construction a modern two-story dwelling, on the same lot as the hospital, which is to be used for a residence for the nurses on the staff. In the near future it is understood an extension will be built on the hospital which will include ten private rooms and ten rooms of a semi-private nature. In the hospital grounds will be installed at the same time a modern land-plot, complete in all the up to date improvements in that line."

## HOME LEAGUE NOTES

On Thursday, March 18th, the Winnipeg VI. Home League held a sale of work and home cooking. Mrs. Brigadier Taylor opened the sale with a short address. The women turned out well to help us. We had a doughnut but which was well patronized. We also had representatives of Canada, France, China and the "Girl Over There." Our goods sold well and we raised one hundred and nineteen dollars. We finished up at night with a musical programme given by the Winnipeg VI. Bands. Brigadier Taylor presided.

At the close of the programme Envoys Burdett, auctioned off the goods that were left—i.e., Boomer, Acting Corps Correspondent.

The Home League of the Moose Jaw Corps is quite an established fact. Many of the sisters testify to the happy and profitable time spent on Tuesday afternoons.

The result of the winter's work was well to the front recently in the shape of a sale of work which proved very successful in spite of the inclement weather.

Great credit is due to Mrs. Adjutant Beattie and her band of willing workers for the splendid display of saleable articles.

The Life-Saving Guards were well in evidence with a good show of their work.

Three hundred dollars was realized which will help roll the old chariot along—A. J.

## VANCOUVER III.

The meetings on Sunday, March 21st, were conducted by our Officers with seemingly no results, but when the evening congregation had dispersed one man returned and asked the Captain to pray with him and Jesus reclaimed him from his backsliding—T. S. W.

## LETHBRIDGE

We had good meetings on Sunday, March 7th, led by Adjutant Hardy. At the jail service in the afternoon three men sought Salvation. At night one young man knelt at the Mercy Seat. The Adjutant and several comrades have started a praying league for the revival of God's work—H. J.

## HALIFAX II.

On Sunday, March 21, there was a good attendance at knee-drill, Adjutant and Mrs. Spiering led the meetings all day.

At the evening meeting one soul sought and found Salvation—H. G. Rice.

## BRACEBRIDGE

The "Young People's Annual" (March 13-15), was conducted by Mrs. Brigadier Green. Four Young People gave their hearts to God.

On Sunday afternoon five children were dedicated.

On Monday a Demonstration was given.

## NEW ABERDEEN

Staff-Captain and Mrs. Burton, assisted by Lieutenant Danby, were with us all day Sunday, March 14. Large numbers of people attended the meetings throughout the day, the largest yet for us.

At night the Staff-Captain enrolled a Soldier. At the close of the meeting one soul sought refuge in the Saviour—Pearl Greatrix, Captain.

Brothers George Abbott, Joseph Blackmore, and Sister Mrs. Blackmore and Mable Rice of Pilley's Island

This Corps has suffered the loss of several comrades from death in 1919. The first to receive the summons was Brother George Abbott on July 25th, after an illness of two months. During that time he manifested a spirit of Christian cheerfulness and resignation, and among his last utterances was "I am going to be with Jesus. Our comrades had been a Soldier for several years and his life was a living witness to God's keeping power. We laid him to rest with Army honors on July 28th. May God comfort those who mourn."

Joseph Blackmore, a staunch friend and supporter, and a true soldier of the Army, passed away on August 3rd. His dear wife and daughters and son mourn his loss greatly. Mrs. Adjutant Gillingham, of Clatham, Ont., is a daughter, also Mable Rice, of Horwood, of St. John's, Ont., and is the Junior Treasurer of Pilley's Island Corps. The funeral was conducted by Lieutenant Hewitt in the absence of the Commanding Officer.

Mrs. Fanny Blackmore also received the call and said farewell to earth after she had assured her watching friends that "All is well." She had been a Soldier of the Army for twenty-eight years and during that time she was a true and ready helper in all good causes, a cheerful giver, and a loyal Soldier. Her last days were full of suffering and she was glad to receive the call. Her funeral service was large and impressive. Adjutant Marshall presided on the platform by Rev. Mr. Mouloud, who gave a stirring address. Thirty Home League members gathered in the coffin in the procession, and dropped their tokens of love in the grave.

1920 has already witnessed the departure of one of our young people, viz., Mable Rice, of Pilley's Island, on January 8th, at the early age of fifteen. Just a few days before her death she sought Christ while at her evening prayer. She assured us all in her last hours that she had no fear of death, and sang, "I'm going home to die no more."

At the memorial service on Sunday night, January 11, six souls sought pardon, among whom was a sister and the father of the deceased. Jesus doeth all things well.

—W. T. M.

Sister Mrs. Horton, New Aberdeen

Our comrade's death came very suddenly. On February 1st, while working around the stove preparing a meal, her clothing caught fire and gave her very severe burns. She was rushed to Hospital, but the shock was too much for her. She was visited by the Officers and others while in the Hospital and gave her heart to God. When she left the beautiful testimony before. She passed away on the 12th. She leaves to mourn her loss a husband and one little girl.

The funeral service was largely attended. It was conducted by Adjutant Holland from Sydney, assisted by Captain P. Greathart, at the New Aberdeen Church on February 15th. "Face to Face with Christ," was sung as a duet.

On Sunday, February 22, a Memorial service was held at the Memorial service, assisted by Captain Greathart, and Lieutenant Hamilton. A few of the comrades and others who were present were warning to those unprepared to meet God. At the close of the meeting the father and mother of the departed comrade came back to God.

## PROMOTED TO GLORY

Sister Mrs. Armstrong, Dauphin

The Dauphin Corps has lost an old and faithful warrior in the person of Sister Mrs. Armstrong, who passed away to be with Jesus on February 13th.

"Mother" Armstrong had been a Salvationist for over thirty years and it was her greatest pleasure to attend the meetings, and do all she could to extend God's Kingdom. Jesus and suffering for a long time, yet she was very patient, and had full assurance that all was well. The funeral was conducted by Capt. Marshall, and was a true follower of Jesus Christ and a true Salvationist. Mrs. Captain McCaughey, Sister Mrs. Robertson spoke on the faithful life of our late comrade, saying that she was a true follower of Jesus Christ and a true Salvationist. Mrs. Captain McCaughey, Sister Mrs. Robertson spoke on the faithful life of our late comrade, saying that she was a true follower of Jesus Christ and a true Salvationist.

At the memorial service on Sunday night, March 1st, six souls sought pardon, among whom was a sister and the father of the deceased. Jesus doeth all things well.

Sister Mrs. Armstrong and Bandman Jones

attended the meetings, and do all she could to extend God's Kingdom. Jesus and suffering for a long time, yet she was very patient, and had full assurance that all was well. The funeral was conducted by Capt. Marshall, and was a true follower of Jesus Christ and a true Salvationist. Mrs. Captain McCaughey, Sister Mrs. Robertson spoke on the faithful life of our late comrade, saying that she was a true follower of Jesus Christ and a true Salvationist.

On February 20th, we held the Memorial Service. Many touching references were made to the true Christian spirit of our departed comrade. Brother John Taylor said she was a mother to all, and was ever ready to give a helping hand. Junior Sergeant-Major Mrs. Handrell spoke of her devotion to God and the Army. Little Margaret Ward, one of the Juniors, sang sweetly—Redwing.

Bandman Jones, Hamilton I.

Our ranks have again been broken at Hamilton I., by the death of Bandman V. Jones, the drummer. He succumbed to pneumonia following an attack of "flu."

Our comrade had a glorious faith, passing peacefully away on Tuesday morning, February 28th, after giving his wife and several friends the assurance that all was well with his soul.

The funeral was conducted on Tuesday, March 2nd, by Lieutenant Hargrave, assisted by Major MacAmmond and the City Officers. The Memorial service was conducted on the following Sunday by Adjutant and Mrs. Kendall. Several comrades and others of the consistent life of Brother Jones. His widow spoke of his sterling worth as a husband and father. The Band played "The Dead March in Saul." Mrs. Kendall gave a soul stirring prayer during the prayer meeting over forty seekers knelt at the Mercy Seat.

Bandman Jones was converted twenty years ago at Eccles, (Lancashire). He came to Hamilton I. in 1904. We pray that God may comfort the widow, and two boys—S.M.F.

Sister Hounslow, Earlscourt

God has called to Himself and higher service another comrade from Earlscourt Corps. Sister Hounslow being promoted to Glory from the Western Hospital on Wednesday, March 10th.

Our comrade came from England four months ago and made her home with Home League Treasurer Mrs. Crosbie. Early in December she gave herself to Jesus and was enrolled as a Soldier of the Army.

She was suddenly taken sick and was taken to the Western Hospital where she passed away on Wednesday morning, March 10. Her last words were: "I am going home to Jesus, and I am so glad to go." "Yes, though I walk through the valley of the Shadow of Death I will fear not, for thou art with me." At the funeral service which was conducted by Ensign and Mrs. Atkinson on Saturday afternoon a large crowd gathered and marched to Prospect Cemetery. Twelve souls came to the Mercy Seat at the memorial service.

Sister Engdahl, Port William

A little over six months ago, our dear comrade, Brother John Engdahl, many eyes were dimmed by the loss of his dear wife, and now a further sorrow is laid upon him in the death of his eldest daughter, Florence, at the early age of fifteen years, and after an illness of only a few short hours. We are glad to know, however, that the call found her ready, for Florence had learned to know that her Saviour in her very early childhood, and gave a true evidence of this in her daily life. Florence had been in the Army, God and the Army. Little Margaret Ward, one of the Juniors, sang sweetly—Redwing.

At the funeral service at the Church on the Sunday afternoon following was conducted by Bishop Grey assisted by Captains Norberg and Cooper, and the building was packed. Young People's Sergeant-Major for Corner spoke of her high character and beautiful life, summing up her life as a true Christian. Mrs. Norberg also paid tribute to her blessed influence and willingness to help others, her words being the best testimony (because the words were true) that was paid by Mr. E. Wood, Principal of the College Institute, who stated that Sister Florence was only twelve years of age when coming to the Institute. She had impressed him from the first as being "a woman in the soul was a deep love for God and for others."

Adjutant Oake conducted the memorial service on Sunday night when Sister Mrs. Britton, who had known her all her life spoke of her noble and unselfish example. Sister Oake spoke of her happy disposition, and her dear friend, Sister Engdahl, of the joy and comfort she had been to him, especially since the death of her mother. He further testified to the sustaining grace of God in his sad trial and his resignation to the Divine will. The visible results of this service were two souls at the Mercy Seat, and believe that the sudden call of Florence and her Christian life spoken to many hearts and may yet lead some to seek her Saviour.

Young People's Sergeant-Major

Dyson, Hamilton III.

We have sustained a heavy loss by the Promotion to Glory of our young People's Sergeant-Major Albert Dyson. He was only 16 at the time of his death, and he died of pneumonia. He was called home to be with Jesus.

During his illness, and towards the end, he spoke quite calmly of the fact that he was going home. He seemed to know and told his friends not to worry as he was going, where there was no pain or sickness, and he would be able to suffer the loss of the family, leaving a stirring and uplifting message to a brother. During the spells of unconsciousness he heard bands and singing and was again with his Juniors. His death was a glorious testimony to the peace which God gives to those who live for Him.

Our comrade had a testimony at all times which made others listen and he lived a life which helped others. He was never afraid to youth, and gave a true evidence of this in his daily life. Florence had been in the Army, God and the Army. Little Margaret Ward, one of the Juniors, sang sweetly—Redwing.

What light the undertaker's different one from his work had worked under him went to take a last look at his remains, showing that he was a true Christian. What a testimony to Salvation, showing that it is real men who are Christians, and being a real Christian makes one a real man.

He saw the need among the children, and from that time onward he has gone forward as he was as some have said a "pillar of the Corps."

The funeral took place on Tuesday, March 3rd. A service was conducted at the undertaker's home by the local College Institute, willingly sacrificed his education prospects to undertake a mother's tasks. Tuesday, March 2nd, by Lieutenant Hargrave, assisted by Major MacAmmond and the City Officers. The Memorial service was conducted on the following Sunday by Adjutant and Mrs. Kendall. Several comrades and others of the consistent life of Brother Jones. His widow spoke of his sterling worth as a husband and father. The Band played "The Dead March in Saul." Mrs. Kendall gave a soul stirring prayer during the prayer meeting over forty seekers knelt at the Mercy Seat.

She was taken ill on Thursday evening, February 26th, and did not anticipate any serious results. She passed away on Friday morning, March 1st, at the age of twenty-four. Her death was a great loss to the Corps, and her short life was ended.

## REPORT ON NIGERIA

The amalgamation of northern and southern Nigeria and the administration of the territory during the period extending from 1912 to 1919, is the subject of a comprehensive and extensive report by Sir F. Lugard, Governor-General of Nigeria, which was issued recently as a White Paper. In this it is pointed out that the administration areas of northern and southern Nigeria together are about one-third the size of British India and have a population of 16,000,000 or 17,000,000, being the largest of the Crown colonies and protectorates of the British Empire.

## HARD ON THE POOR

THE high cost of living is hitting nearly every part of the world. On the South African Rand Kaffirs are suffering severely. At a meeting of a thousand employees of the Municipal Council of Johannesburg, a resolution was adopted calling on the Government to take control of the production and distribution of the necessities of life.

In India the abnormal prices of various necessities have forced several communities to drop all caste-differences on marriages and other festive occasions.

## ICE FUEL GALLERY

A LARGE oil fuel cooking gallery is one of the innovations on M. S. Hood, the latest British bathtub. For several years past the use of oil fuel has been common in the Navy for propulsion purposes, and the idea of using it for cooking is quite an innovation. The gallery referred to is capable of cooking for 1,200 men. The heat is obtained by means of special burners, which consume electric mechanism for sorting the cards.

"But for the invention of machines capable of arranging and adding figures more rapidly than can be done by human hand and mind, the taking of a census nowadays would be impracticable." Says a writer in the "Scientific American."

## Solved Big Problem

"Electricity has solved the big problem of digesting the schedules filed and sent in by the great host of enumerators in the field. Collecting the information is but the introductory part of the census. There remains the vital work of accurately compiling tens of millions of schedules and condensing them for publication."

It is here that the mechanical power comes to the rescue. Invention has performed a tremendous service for the provision of needed Federal statistics. The old method of computing the facts contained in the census was a laborious system of hand-tallying.

The late Hon. H. M. Goudge, a prominent citizen of Windsor, N. B., was a very warm friend of the Salvation Army.

## DEVOTED SERVICE

A WOMAN missionary who did a great work in Africa has just passed away in Scotland. Thirty years ago she travelled far into the interior of Africa and her practical service to the tribes of natives led them skillfully to open a school for the education of their children. For a gentle part of the thirty years she was the only European woman in the territory.

On the rainy days she grew very weary. The native friends who gathered round her would divine her loneliness and in many ways tried to break the monotony, all of which endeared her black people to herself. Once, she determined to take a trip to Europe and made arrangements accordingly, only to find that if she carried out her intention the tribes would have lost her services. She determined to remain till she felt assured that they could be trusted to carry on their education without her aid. She finished her work, and there will be a long period of mourning in the "White Face with a Heart like the Sun."

## NO PLACE FOR MOTORS

OWING to the lack of streets or bridges suitable for motor traffic in Japan there is little chance of establishing a motor industry in that country (says a writer in the "American Mechanist"). He goes on:

"The thoroughfares usually have no sidewalks, compelling pedestrians to use the streets. The streets are a foot deep, and if a motor vehicle drops a wheel into one of the gutters it is a disaster. Then, too, many of the streets and roads are barely wide enough for two cars to pass, just as an example of the difficulties of motor traffic, I may mention a ride from Tokio to Yokohama, a distance of only eighty miles. The whole trip was a problem of working one's way through a mass of pedestrians, jostling, and one-half hours."

## CHINA WAKING UP

THE young men of China are waking up to the need of being educated on a modern level. The Chinese Students' Alliance of America publishes the magazine "The Chinese Student" which is now studying in various colleges in the United States. Medical students count more than fifty, and many engineers next with fifty-seven, while pharmacy, dentistry, bacteriology, and sanitary engineering are also well represented. There are over 2,000 Chinese students in the Washington and Imperial Universities in Japan, while the local colleges at Kobe, Osaka, and other commercial centers show an increasing number of Chinese students. The fact that many of the Chinese students are highly trained in the sciences, engineering, and other fields of industry.

The new electric device not only saves time and expense, but accomplishes another thing equally important. All the results are correct, the human liability to error being entirely eliminated by machine. The operator makes a mistake, the machine simply refuses to work.

## POINTED QUESTIONS

Are you seeking to satisfy your soul with a mere intellectual religion?  
Is there a more brilliant reality to you?  
Is your life pure and victorious and sweet with unselfish service?

Tunes—Tossing like a troubled ocean, O Saviour, Lead Me, 86; Sea, Book 518.  
Come, my soul, thy suit prepare, Jesus loves to answer prayer; He Himself has bid us pray, Therefore will not say thee nay.

Thou art coming to a King, Large petitions with thee bring, For His grace and power are such None can ever ask too much.

#### BLESSEDLY SAVED

Tune—"Blessedly Saved," B. J. 71, S. B., 259.

I am walking and talking with Jesus, my Lord, In His precepts I run with delight.

#### Chorus

Blessedly saved—saved by the Blood, Blessedly saved by the Blood of the Lamb!  
Happy and free, Jesus with me, Blessedly saved, blessedly kept—yes, I am!

I was saved years ago by the Blood, After striving and praying with tears;  
But when willing the Spirit came in like a flood, And He washed all away sins of years.

I've been fighting for God ever since In the Salvation Army so brave! Where He leads I will follow; I'm at His command To go forward poor sinners to save.

#### WONDROUS LOVE

Tune—"On the Cross of Calvary, 93; Song Book, 1.

On the Cross of Calvary, Jesus died for you and me; There He shed His Precious Blood, That from sin we might be free. Oh, the cleansing stream does flow, And it washes white as snow! It was for me that Jesus died, On the cross of Calvary.

Oh, what wondrous, wondrous love, Brought me down at Jesus' feet! Oh, such wondrous, dying love, Asks a sacrifice complete! Here I give myself to Thee, Soul and body Thine to be; It was for me Thy Blood was shed On the cross of Calvary.
